

**DRAFT**

MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Programmed Learning

1. This memorandum is for information only.
2. It is a report on the status of programmed learning and the use of teaching machines and is in response to the strong interest you indicated at the Executive Committee Meeting on 13 December 1965.
3. Two developments are considered to be significant. An OTR/ORD proposal to explore the feasibility and application of programmed learning to Agency activities was approved. Also, I have contracted with  former Director of Training, to direct and supervise this joint investigation. He will furnish periodic progress reports and at an appropriate time submit to me recommendations for future courses of action.
